PROJECTS

Final Project, Advanced Machine Learning for Analytics April 2026

- Created a Streamlit app that predicted Youtube comment sentiment using an NLP machine learning model

Regression Projects, Introduction to Regression and Machine Learning for Analytics Sep – Dec 2025

- Constructed a linear regression model on wine data to discover attributes correlated with higher wine quality
- Constructed a logistic regression model on flight weather data to minimize monetary loss from delayed flights

Course Project, Data Visualization with Tableau Jul – Aug 2024

- Analyzed data from 6 Utah Department of Transportation traffic monitors to determine optimal construction times along state roads

WORK EXPERIENCE

Utah State University Analytics Solutions Center Logan, UT
Business Analyst Sep 2025 – Apr 2026

- Implemented causal inference statistics to increase the accuracy of analyses evaluating student performance effects from the Cache County School District Dual Language Immersion program
- Presented a data story to Cache County School District administrators on district attendance trends, prompting further meetings to discuss the role of geography and school culture on chronic absenteeism
- Generated 2 web-hosted dashboards using AI coding tools, informing faculty of student project satisfaction and event attendance metrics

Filevine

Salt Lake City, UT

Revenue Operations Intern

May – Aug 2025

- Automated data enrichment on Salesforce accounts using Clay AI, allowing decision-makers to better segment clients to sales teams
- Created 6 dashboards in DOMO to highlight business trends affecting different corporate divisions

Utah State University Academic Testing Center

Logan, UT

Lead Proctor

May 2024 – May 2025

- Managed teams of 9 employees, maintaining proper behavior and task accomplishment

Testing Proctor

Aug 2023 – May 2024

- Monitored testing environment of up to 180 students to safeguard academic integrity

VOLUNTEER / LEADERSHIP

Church of Jesus Christ of Latter-day Saints

Micronesia

Full-time Volunteer

Jun 2021 – Jun 2023

- Trained 3 ecclesiastical leaders on organizational principles, helping them accurately perform operational duties
- Supervised 18 volunteers on 3 islands to provide a safe and efficient reporting network

SKILLS / INTERESTS

-
- Have played electric guitar since 5th grade and enjoy improvisation
 - Created a Unity game accessing over 3 million images using the Shutterstock API
